### FROM THE SAME.

To the Honorable the Common Council: Gentlemen—Your Committee on Street Openings, to whom was referred the petitions of Dugald McCallum for vacation of alley in rear of certain property situate on the west side of Hanover avenue, and of J. P. Rabaut et al., for the opening of Choche place from Brown place to McGraw avenue, respectfully report that we have had both of said matters under consideration and in relation to the first mentioned petitioner, beg leave to state that Lothrop avenue has been ordered opened through the property owned by petitioner and having so been, we can see no reason for vacating the alley in rear of said lots. As to the latter petition, we beg leave to state that your Committee can see no public necessity for opening Choche place from Brown place to McGraw avenue, as the street is of ample width to meet all requirements and we therefore recommend that the prayer of each of the aforesaid petitioners be denied.

Respectfully submitted,

JAMES VERNOR,
