**Street Openings.**

To the Honorable the Common Council:

Gentlemen: Your Committee on Street Openings to whom was referred the petition of John S. Foley, asking for the vacation of part of an alley, respectfully report that we find that the petitioner is the owner of all of the property abutting on that portion of the alley he asks to have vacated and that the effect of the vacation of the portion of the alley mentioned, would be to connect all of the petitioners property in that block, making it better adapted for the church purposes for which it is to be used, by placing the north and south alley at the east end of the petitioner's property and for which purpose the petitioner has executed a deed of the necessary property, which deed has been approved by the Corporation Counsel and the City Engineer. Your committee recommend that the prayer of the petitioner be granted and herewith present the proper resolution, recommending its adoption.
