To the Honorable the Common Council:
Gentlemen—Your committee on Street Openings to whom was referred the petition of R. McClelland Brady, et al. for the vacation of Coe avenue, respectfully report we have had the same under consideration and beg leave to state that petitioners recently secured control of the property situated on the east side of Parker avenue, immediately north and south of and adjoining Coe avenue; that said Coe avenue now ends at the alley east of Parker and will never continue further east, because of the fact of expensive homes built in the line of said street on Seminole avenue; that said Coe avenue at the present time is unpaved and in an impassable condition and that it will never be used as a public thoroughfare; that your petitioners have acquired said property for the purpose of turning same into an athletic field where tennis and other similar games will be played and for this purpose ask that said Coe avenue be vacated, to which your committee can see no objection and we therefore offer the following resolution.

Respectfully submitted,
JAMES VERNOR,
JOHN T. THOMPSON,
W. H. C. HINDLE,
WM. F. ZOELLER,
FRED W. KRAPP,

C. 679," be and the same is hereby vacated;

Provided, The owners of the abutting property, who acquire title to said street, pay into the City Treasury, within 30 days from the date of the approval of this resolution, whatever expense may have been incurred by the city in the matter of paving, furnishing curb, cross walks, etc., in the line of Coe avenue, as may be certified to by the City Engineer, otherwise this resolution shall be null and void and of no force and effect.
