To the Honorable the Common Council:

Gentlemen—Your Committee on Street Openings to whom was referred the communication from the Clerk of the Recorder's Court transmitting verdict rendered by Jury of said Court in the matter of opening Beals avenue from Waterloo street to Mack avenue where not already open 50 feet wide as a public street and highway, respectfully report that we have had the matter under consideration and are satisfied that the property in the vicinity of the improvement is largely benefitted by same and should therefore bear a portion all of the expense. The award of the jury was \$1,300.00, and we recommend that 85 per cent or \$1,105.00, be assessed on the local assessment district, and that the remaining portion, viz: 15 per cent or \$195.00, be paid by the City of Detroit out of the Street Opening Fund, and we therefore offer the following resolution
