### Street Openings.

To the Honorable the Common Council:

Gentlemen—Your Committee on Street Openings to whom was referred the petition of O. Wardell et al., for the vacation of 8 feet of land from the northerly and southerly part of Brainard street between Trumbull avenue and Gibson street, respectfully report we find that Brainard street from Trumbull to Gibson is 60 feet in width, while the next three blocks from Gibson to Greenwood is but 40 feet in width; that plans are being considered for the erection of a church on Brainard street and petitioners are desirous of securing a more uniform street line before proceeding with said plans, and the owners of all the property on the north and south sides of Brainard street between Trumbull and Gibson having requested said vacation, we believe the same would be a benefit to all concerned, and therefore recommend the adoption of the following resolution.

Respectfully submitted,  
GODFREY FREIWALD,  
JAMES VERNOR,  
SHERMAN LITTLEFIELD,  
GEO. A. OWEN,

### Street Openings.

To the Honorable the Common Council:

Gentlemen—Your Committee on Street Openings, to whom was referred the petition of Peoples State Bank and Simon J. Murphy Co. (6419), for the vacation of the westerly 160 feet of the public alley first south of and parallel to Fort street, between Shelby and Griswold streets, respectfully report we have had the same under consideration and find that the Peoples State Bank is the owner of the property at the southeast corner of Fort and Shelby streets; that the Simon J. Murphy Co. owns the vacant property situated at the northeast corner of Congress and Shelby streets, which properties are separated by a 20-foot alley extending easterly between Shelby and Griswold streets; that in order to increase their banking facilities, petitioners are desirous of erecting a building on the property at the northeast corner of Congress and Shelby streets, said building to be a continuance of the building now occupied by them; that petitioners will deed to the city property for alley purposes, in lieu of alley to be vacated, which will afford an outlet from terminus of present alley into Congress street, and will arrange for the grading and paving of the strip so dedicated, and inasmuch as the remaining property owners in said block have consented to the vacation of said alley, we can see no objection thereto, and therefore recommend the adoption of the following resolution.
