To the Honorable the Common Council:
Gentlemen—Your Committee on Street Openings to whom was referred the petition of William Wendt, et al. (3086), protesting against alleged excessive assessment levied against their properties for the opening of Lambert street, respectfully report we have had the same under consideration, have given petitioners a hearing and after reviewing the circumstances in connection with said street opening proceedings, find that the proceedings for the opening of Lambert street were conducted as provided by law and therefore can see no other course to pursue than to deny the prayer of petitioners for a reduction in said assessments. Your Committee recommends, however, that the time in which said assessments may be paid without penalty and interest be extended to Oct. 16, 1915, and therefore offer the following resolution.

Respectfully submitted,
GODFREY FREIWALD,

GEO. A. OWEN,
SHERMAN LITTLEFIELD,
FRED W. KRAPP,

To the Honorable the Common Council:
Gentlemen—Your Committee on Street Openings to whom was referred the petition of Huntoon and Weeks Lumber Co. (4036), for the vacation of alley first south of and parallel with Fort street running east from Springwells avenue, respectfully report that we have had the same under consideration and find that petitioner is the owner of all the property abutting on said alley and we also find that while Springwells avenue at this point is platted 45 feet wide, petitioners claim the east 15 feet thereof on account of same never having been worked. Said petitioners are willing to quit claim to the city all rights to said 15 feet of Springwells avenue on consideration of the vacation of the aforesaid alley and your committee seeing no objection to the arrangement, recommend the adoption of the accompanying resolution.

Respectfully submitted,
GODFREY FREIWALD,
