

of the improvement is largely benefited by same and should therefore bear a portion of the expense. The award of the jury was \$4,375.00, and we recommend that 90 per cent, or \$3,937.50 be assessed on a local assessment district, and that the remaining portion, viz.: \$437.50 or 10 per cent, be paid by the City of Detroit out of the Street Opening Fund, and we therefore, recommend that inasmuch as a total of \$800.00 was received by the City Treasurer from the sale of buildings located in the line of said street, that the Board of Assessors in making out the assessment roll credit each piece or parcel of real estate benefited by such improvement with its proportionate share, 90 per cent or \$720.00 of a total of \$800.00 received from the sale of said buildings, which is the same ratio agreed upon in apportioning the verdict rendered by the jury, as hereinbefore set forth, and we therefore recommend the adoption of the following resolution.
