**Street Openings.**

To the Honorable the Common Council:

Gentlemen—Your Committee on Street Openings to whom was referred the communication from the Clerk of the Recorder's Court, transmitting verdict rendered by a jury of the said court in the matter of opening Owen avenue from Oakland avenue to Russell street where not already opened 60 feet wide, as a public street and highway respectfully report that we have had the matter under consideration and are satisfied that the property in the vicinity of the improvement is largely benefited by same and should therefore bear a portion of the expense. The award of the jury was \$24,845.80, and we recommend that 85 per cent or \$21,118.93 be assessed on a local assessment district, and that the remaining portion, viz: \$3,726.87 or 15 per cent be paid by the City of Detroit out of the Street Opening Fund, and we therefore recommend, that inasmuch as a total of \$3,335.00 was received by the City Treasurer from the sale of buildings located in the line of said street, that the Board of Assessors in making out the assessment roll, credit each piece or parcel of real estate benefited by such improvement with its proportionate share of 85 per cent or \$2,834.75 of a total of \$3,335.00, received from the sale of said buildings, which is the same ratio agreed upon in apportioning the verdict rendered by the jury, as hereinbefore set forth, and we therefore recommend the adoption of the following resolution.

Respectfully submitted,  
 GODFREY FREIWALD,  
 JAMES VERNOR,  
 GEORGE A. OWEN,
