

Street Openings.

To the Honorable the Common Council: Gentlemen—Your committee on Street Openings to whom was referred the petition of Paterson & Moore (61741-2), requesting that street line be changed adjoining property situated on the northwest corner of Charlevoix and Maxwell avenues, respectfully report that we have had the same under consideration and find that petitioners have erected a building on said property which extends 6 inches over lot line as now established on Charlevoix street, through misunderstanding as to the location of said street line; that the land on which the building encroaches is a strip taken by the city in the opening of Charlevoix street and not utilized for street purposes. Your committee after looking into the matter recommend that the request of petitioner be granted upon payment of the sum of \$25.00 to reimburse the city for any expense incurred in the construction of crosswalks, curbing, etc., and with the understanding that no steps, drain pipes, eave pipes, or other attachment to or part of said building shall extend over the portion of Charlevoix street herein vacated. In connection with this matter your committee also recommends that a fence now extending 6 inches over the lot line on Charlevoix street adjoining lot situated on the northeast corner of Charlevoix street and Maxwell be ordered set back to lot line. The following resolution is therefore offered

Respectfully submitted,
GODFREY FREIWALD,
JAMES VERNOR,
