Street Openings.

To the Honorable the Common Council: Gentlemen:—Your Committee on Street Openings, to whom was referred the petition of Turner & Moore Mfg Co. (6374), for the vacation of certain streets and alleys, respectfully report we find that petitioners are the owners of all of Joseph Hall's subdivision of part of O. L. 43, P. C. 30, with the exception of lot 3, north side of Annexation street, adjoining Hall street, which subdivision is part of the block bounded by M. C. R. R. Annexation street, Junction and Clark avenues; that petitioners request the vacation of all of McGregor street shown on said plat; all of Hall street except the portion lying between the north line of Annexation street and the alleys north of said street; a portion of the public alleys lying north of and parallel with Annexation street and the public alley 9 feet wide adjoining lots 7 to 12 of said sub., for the purpose of erecting on said land a building for manufacturing purposes. Your committee also finds that none of the streets and alleys shown in the said plat have ever been worked and used by the public and will serve no useful purpose as now laid out; that the property is no longer suitable for residence purposes and is available only as a factory site. Your Committee can therefore see no objection to the vacation of the streets and alleys requested, in so far as said streets and alleys do not affect lot 3 of said subdivision, and therefore offer the following resolution.
