### Streets.

To the Honorable the Common Council:  
Gentlemen:—To your Committee on Streets was referred the petitions of Mrs. Clara Colquitt (7141) and Mrs. Ellen Taylor (7014), for the cancellation of paving assessments. We find that Part 4 of alley paving assessment levied against Mrs. Clara Colquitt, amounting to \$42.62 remains unpaid, and recommend that the time in which said assessment may be paid without penalty and interest be extended to June 1, 1916. We also find that parts 1, 2, 3 and 4 of assessment levied against Mrs. Ellen Taylor for the paving of Custer avenue remain unpaid, part 1 of said assessment being now due and payable. After an investigation of the circumstances, your Committee recommends that Part 1 of said assessment be cancelled, and that the time within which the remaining parts may be paid without penalty and interest, be extended for one year. We therefore offer the following resolution.

### Ordinances.

To the Honorable the Common Council:

Gentlemen: Your Committee on Ordinances to whom was referred an ordinance entitled "An ordinance to regulate electric wiring and the use of electricity in the City of Detroit," respectfully report that we have given the same careful consideration. Seven public hearings have been had before the Committee at which all parties interested have had a chance to be heard and present their arguments both for and against the proposed ordinance, which consisted of a great mass of both oral and documentary testimony, and at which a large number of citizens have appeared and given their views, and after consideration and due deliberation thereon, we believe that the proposed ordinance if adopted, is unnecessarily drastic in its various provisions and if adopted would increase the cost of electric wiring in the City of Detroit from 50 per cent to 100 per cent without increasing the factor of safety to life and property.

We further find that the proposed ordinance if adopted would tend toward the establishment of a monopoly in installation work and would be contrary to the great manufacturing interest of our city as well as an unnecessary hardship upon the small householders, and for these among other reasons, we therefore recommend that said ordinance, presented by Ald. Lodge on Sept. 22, 1914, (J. C. C. p. 1469-74), be indefinitely postponed.

Respectfully submitted,  
EDWARD BARNETT,  
GEO. A. OWEN,  
CHAS. A. KOCHER,  
ANTHONY NOWC,  
JOSEPH SCHEMANSKY.

Accepted and adopted.

"an automobile" in Section 1, line 2, and inserting in lieu thereof the word "automobiles"; also by the after the word "Detroit" in Section 1, line 3, the following words "other than such automobiles or auto trucks as are used for the transportation of merchandise and which are commonly known as commercial cars," also by striking out the words "of tumbler design" in lines 5 and 6 of Section 1; and also by striking out the word "January," in Sec. 3, line 2 and inserting in lieu thereof the word "April," and that said ordinance, presented by Ald. Krimmel on the 23rd ult. (J. C. C. p. 1954), be passed as amended.
