To the Honorable the Common Council: Gentlemen:—To your Committee on Street Openings was referred the petition of John S. Foley et al (7842). Your Committee finds that on January 2, 1912 (J. C. C. p. 2040) a resolution was adopted fixing a building line for the west side of Washington avenue and to that end vacating five feet of the street. We find further that said action was taken conditioned on the abutting property owners filing waivers with the City Clerk relinquishing all rights to any property outside of said vacated five feet, and that petitioners, through oversight, failed to file said waivers as provided, and to rectify this mistake are presenting same with the petition. We recommend that the said waiver be and the same is hereby accepted and approved and that so much of resolution (J. C. C. p. 2040-1911) as refers to property covered by said waiver, namely lots 5, 6, 7, 8, 9, and 10 west side of Washington avenue between State and Grand River, be readopted as of this date.

Respectfully submitted,
