From the Department of Buildings.

To the Honorable the Common Council:

Gentlemen—On June 5th, 1917, an ordinance was passed by your Honorable Body directing this department to remove all signs on the fronts of the buildings which covered openings of any description.

This ordinance specified that if the owner or other persons responsible refused to remove the sign, the Department of Buildings should forthwith remove the sign and charge the expense thereof to the owner. Several signs in the city have not been removed after proper notices have been sent.

The Building Commission therefore requests that you set aside the sum of \$200 to be used as a working fund for the removal of the signs existing in violation of the Ordinance. When the cost of the removal is determined, bills will be sent and when paid will be credited back to this account.

By Order of

BUILDING COMMISSION,

CHAS. C. LUDY,

Secretary
