Street Openings.

To the Honorable the Common Council:
 Gentlemen—To your Committee on Street Openings was referred the petition of General Motors Corporation (1506), for the vacation of Morrow (Dequindre) street, Oak, Bernard and Fordyce streets and alleys in territory bounded by said street and the city limits. Your Committee finds that the streets and alleys requested to be vacated exist only upon the plat and have never been opened and used by the public and that all the abutting property is owned by the above corporation. The closing of the streets and alleys is requested in order that the entire tract may be used for the construction of a plant for the manufacture of munitions for the govern-

ment, and that a fence may be constructed enclosing same. We therefore recommend that the petition be granted, with the understanding that the Board of Water Commissioners shall at all times have access to water main located therein, and offer the following resolution.

Respectfully submitted,
 CHAS. A. KOCHER,
 JAMES VERNOR,
 JAMES CRANSHAW,
 JOHN T. THOMPSON,
 GEO. H. ELLIS,
 WM. A. RICHERT,
 RICHARD O. STARKEY.

Ordinances.

To the Honorable the Common Council:

Gentlemen: To your Committee on Ordinances was referred the communication from the City Engineer (J. C. C. p. 58) relative to proposed street names for new territory added to the city east of Woodward avenue. Your Committee find that on account of the confusion resulting from similarity in street names in newly annexed territory and street names in older sections of the city that it is advisable to change several to conform with existing city streets, and believing the changes proposed by the City Engineer to be satisfactory, we submit herewith the proper ordinance to effect same.

Respectfully submitted,
