**Street Openings.**

To the Honorable the Common Council: Gentlemen—To your Committee on Street Openings was referred the petition of K. H. Mortthaei, et al. (2117), protesting against the vacation of part of the public alley first north of and parallel to Michigan avenue, between 29th street and alley east thereof, and the construction of fence in said vacated portion of alley by the El Mosha Synagogue. Your committee has had the matter under consideration and finds that the alley vacated is 5 feet wide on 29th street and 2 feet wide in rear on alley, which vacation was rescinded on June 18th, and report of committee vacating said strip re-adopted at this session. Your committee believing that inasmuch as said portion of alley was vacated after careful consideration of the matter, recommend that the petition for removal of fence be denied.

Respectfully submitted,

**Street Openings.**

To the Honorable the Common Council: Gentlemen—To your Committee on Street Openings was referred the petition of William E. Ross, et al. (1356), of Baker street between Twenty-second and Twenty-third streets, by petitioners claim that said alley was paved in such manner that a portion of the paving was outside the line of alley and on private property, and request a refund of said paving assessment. After a hearing before the Committee on Streets, an agreement was reached between the parties interested for the vacation of a portion of said alley and the dedication to the city of property for alley purposes to make the line of alley the same as the paving committee for such vacation. We therefore recommend that portion of the alley, 4.65 feet wide, be vacated,

provided petitioners deed to the city a triangular parcel of land off lot 41, sub. of eastern part of P. C. 20, for alley purposes, and offer the following resolution.
