To the Honorable the Common Council: Gentlemen: To your Committee on Street Openings was referred the petition of Pittmans & Dean Co. (3023), for the vacation of the public alley first east of and parallel to Beaubien street, lying between the alley first south of Milwaukee avenue and the right-of-way of D. & B. C. R. R., also the public alley north of and adjoining the north line of said railroad right-of-way, lying between Beaubien street and the alley first east thereof. Your committee finds that in the separation of grades on Beaubien street, the east and west alley was rendered useless by a 9-foot cut, and the north and south alley at the present time is of no value to the abutting property. Also that in the trial of the matter of separating grades, said alleys were treated as closed and have been closed since the work of separating grades began at this point. We therefore recommend that the petition be granted, and offer the following resolution.

Respectfully submitted,

CHAS. A. KOTCHER,
JAMES VERNOR,
JAMES CRANSHAW,
GEO. H. ELLIS,
RICHARD O. STARKEY.

Accepted, and on leave, the following resolution was offered:

By Ald. Kotcher:

Resolved, That "All that part of the public alley, 20 feet wide, lying first east of and parallel to Beaubien street and lying between the south line extended westerly of the public alley first south of Milwaukee avenue, and the north line of the D. & B. C. R. R. right-of-way; also, the public alley, 20 feet wide, lying north of and adjoining the north line of the D. & B. C. R. R. right-of-way, and lying between the east line, extended southerly, of Beaubien street, and the west line extended southerly, of the public alley first east of Beaubien street," be and the same are hereby vacated.
