Vacation Clark Avenue.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of General Motors Corporation (2593), for the vacation of a strip of land one foot wide along the westerly side of Clark Avenue between M. C. R. R. right-of-way and L. S. & M. S. right-of-way. Your Committee finds that petitioner is erecting a large factory on this property for the manufacture of automobiles, the foundations of which were laid before the completion of the detailed plans of the plant, and that in order to work out the detailed drawings with foundations as they now exist, an encroachment over lot line of about 10 inches will be necessary. In consideration of the vacation of one foot off the west side of Clark Ave. as above set forth, petitioners offer to dedicate for street purposes a strip of land one foot wide on the east side of Clark Ave. between M. C. R. R. and south line of public alley immediately south of Michigan. In view of the above facts, your committee recommends that the petition be

granted, and offer the following resolution.

Respectfully submitted,

JOHN A. KRONK,

By Councilman Kronk:
Resolved, That "The westerly one foot of Clark Avenue, lying between the northerly line of the Michigan Central Railroad right-of-way and the southerly line of the Lake Shore and Michigan Southern Railroad right-of-way," be and the same is hereby vacated;

Street Openings.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Daniel J. Campau, et. al. (2459), protesting against the straightening and widening of Mack Avenue between Detroit Terminal R. R. and Gray Avenue, as approved by your Honorable Body Sept. 30, 1919. Your committee, after consideration of several studies of the situation in the vicinity, recommend that Mack avenue be straightened and widened between Detroit Terminal R. R. and Anderdon Ave., following the plan of the City Plan Commission approved Sept. 30th, but that Mack Ave. be extended easterly in a direct line from Anderdon Avenue to the easterly city limits, instead of southeasterly to Mack avenue or Clinton Road. We therefore recommend that the Corporation Counsel be directed to prepare the proper resolution for the straightening and widening of Mack Avenue from west of Detroit Terminal R. R. to easterly city limits, following Plan 120-A of City Plan Commission between Detroit Terminal R. R. and Anderdon avenue, and the extension of Mack avenue easterly from Anderdon avenue to easterly city limits, and submit same to this body for approval.

Respectfully submitted,
JOHN A. KRONK,
