To the Honorable the Common Council: Gentlemen—To your Committee of the Whole was referred the petition of J. C. Widman & Co. (566), for the vacation of that part of Merrick avenue lying east of Fifteenth street and north of Grand Trunk Ry. right-of-way. Your committee finds that petitioner is the owner of all property abutting on that part of Merrick avenue requested to be vacated, and has used this triangular end of street as part of its property for the past thirteen years, and same being entirely shut off from Fifteenth street and Merrick avenue west of 15th by grade separation walls, same is not required or used for street purposes by the public. Your committee therefore recommends that the petition be granted, provided petitioners pay into the city treasury whatever expense may have been incurred by the city in the matter of paving, and that a refund be made to the city of any grade separation damages which petitioner may have received through the separation of grades at Fifteenth St. and Grand Trunk R. R. We therefore offer the following resolution.

Respectfully submitted,
JOHN C. NAGEL,
Chairman.
