Pumping Outfit

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred a communication from the Department of Public Works (J. C. C. p. 1108) relative to proposal received from Lincolnshire Land Company for furnishing, operating and maintaining pumping outfit for the sanitary sewer system and septic tanks for the district known as the Lincolnshire Subdivision and recommending that contract be entered into with the Lincolnshire Land Company for the purchase of four Gould pumps and septic tanks at bidding price of \$7,025.00 and that a further contract be entered into with the same company for operation and maintenance of pump now installed at \$300.00 per month and for any additional pumps at \$100.00 until the city can take over the same. After consideration of the communication we recommend that the request of the Commissioner of Public Works be concurred in and offer the following resolution.

Respectfully submitted,

FRED W. CASTATOR,

Chairman.

By Councilman Castator:

Resolved, That the Department of Public Works be and is hereby authorized and directed to enter into contract with the Lincolnshire Land Company for the purchase of, First: Four Gould Pumps now installed in the Lincolnshire Land Subdivision at \$6,400, and septic tanks at \$625.00, a total of \$7,025.00. Second: The operating and maintenance of one pump now installed at \$300 per month until taken over by the city, which it is understood the city may do at any time it so desires. Third: The operating and maintaining of additional pumps as may be installed at \$100.00 per month until taken over by the city, which it may do at any time. Fourth: It is herewith agreed and understood that should it become necessary to install any additional septic tanks that the entire expense incurred for such installation shall be borne by the Lincolnshire Land Company, and,

Further Resolved, that the expense incident to the foregoing contracts be borne from Account 501, Public Sewer Fund.
