Chairman Castator submitted the following reports of Committee of the Whole for above date and recommended their adoption:

#### Permits.

To the Honorable the Common Council:  
Gentlemen—To your Committee of the Whole was referred the petition of Mary Brown (6996), for permission to maintain poultry stand on Eastern Market. Your committee has consulted with the Director of Municipal Bureau of Markets, who recommends that the petition be denied on account of the number of poultry dealers now on the market. Your committee concurs in the recommendation that petition be denied.

Respectfully submitted,  
FRED. W. CASTATOR,  
Chairman.

Accepted and adopted.

#### Building Permits.

To the Honorable the Common Council:  
Gentlemen—To your Committee of the Whole was referred the petition of John Miller (6963), for permit to construct 3-car frame garage on rear of property at the northeast corner of Belvidere and Warren avenues, said premises being in the fire limits. Your committee has consulted with the Department of Buildings and Safety Engineering, who recommend that the petition be granted in view of the fact that the district is almost entirely devoted to frame houses. We therefore recommend that petition be granted, and offer the following resolution.

Respectfully submitted,  
FRED. W. CASTATOR,  
Chairman.

By Councilman Castator:

Resolved, That the Department of Buildings and Safety Engineering be and is hereby authorized and directed to issue a permit to John Miller to erect a three-car frame garage on rear of property located on the northeast

corner of Belvidere and Warren avenues;

Provided, That said work shall be performed under the supervision of the Department of Buildings and Safety Engineering and in accordance with plans submitted to and approved by said department.

Adopted as follows:

Yeas—Councilmen Castator, Littlefield, Nagel, Simons, Watson, and the President Pro Tem—6.

#### Paving Assessments.

To the Honorable the Common Council:  
Gentlemen—To your Committee of the Whole was referred the petitions of John A. Zimmerman et al (6609), and Ernest F. Heinrich et al (6610), for cancellation of paving tax levied against property owned by them for the paving of Alter road. Your committee has consulted with the Corporation Counsel, who advises that assessments referred to were illegally made and should be cancelled for the reason that the lots assessed do not abut Alter road. Your committee therefore recommends that the taxes be cancelled, and offer the following resolution.

Respectfully submitted,  
FRED. W. CASTATOR,  
Chairman.

By Councilman Castator:

Resolved, That the City Treasurer be and he is hereby authorized and directed to cancel parts 1, 2, 3 and 4 of assessments levied against "Lot 21 and canal in rear, The Lighthouse sub. of part of private claim 120," and against "Lot 22, and north half of canal in rear, The Lighthouse sub. of part of private claim 120," for the paving of Alter road, (roll 3150, book 14, fol. 88), said property being owned by John A. #### Taxes.

To the Honorable the Common Council:  
Gentlemen—To your Committee of the Whole was referred the petition of Joseph Jarzynka (3567), asking that a certain amount be fixed for which the city will relinquish all interest in a strip of land 10 feet wide, on north side of Peterson street, said strip now being held by the city for delinquent taxes from the year 1910 to date. Your committee has consulted with the Corporation Counsel, who states that petitioner secured a quit-claim deed from the original owner of the property, and recommends that the sum of \$300.00 be accepted in payment of all city bids for unpaid city taxes and special assessments levied against this property, for the years 1910 to 1919, both inclusive, petitioner to pay 1920 general city taxes. Your committee concurs in the above recommendation and offers the following resolution.
