**Vacation of Utah Street.**

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Frank Houghton, Frank H. Bessenger and Alanson A. Moore (745), for the vacation of Utah street, extending from Devine avenue to a point 241.59 feet south. Your committee finds that petitioners are the owners of all property abutting on either side of the street requested to be vacated, that said street has never been used by the public and has no pavement, sidewalks or other improvements except sewer and water, and that it would be impossible to extend same southerly except through property and buildings of Detroit Lumber & Coal Co. We therefore recommend that petition be granted, provided petitioners file a waiver of grade separation damages affecting the property owned by them abutting on Utah street and vacated Utah street. We therefore offer the following resolution.

Respectfully submitted,

W. P. BRADLEY,  
Chairman.

By Councilman Bradley:

Resolved, That "all of Utah street as platted in Bessenger & Moore's Gratiot Avenue sub. No. 2 of part of P. C. 12 and part of Fractional Sections 22 and 23, T. 1 S., R. 12 E., as recorded in liber 28, page 30 of Plats of Wayne County Records," be and the same is hereby vacated;
