From the Department of Parks and Boulevards

To the Honorable the Common Council:

Gentlemen:—For several years this department has had an arrangement with the Michigan Coin Lock Company for furnishing and maintaining coin controlled locks on some of the toilets in the public comfort stations.

This contract provides for the installation of additional locks as needed on the same basis as those now installed, namely, we receive 75% of the gross receipts.

Instead of taking advantage of this arrangement in the case of the Grand Circus Park convenience station, we prefer to make a new contract and the company agrees to pay 80% of the gross receipts, this proposal being based on a two-year period.

Will your honorable body, therefore, kindly authorize us to enter into such agreement.

Respectfully,

EDWARD G. HECKEL,

Commissioner.

General order for Tuesday, May 22.
