Streets

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Ford Reserve Realty Co. (10051), offering to deed to the city three feet of land on each side of Kentucky, Indiana, Wisconsin and Ohio avenues, extending from Fenkell avenue to alley north thereof, upon condition that special width paving be provided at the entrances of said streets. Your Committee is informed by the City Plan Commission that petitioners desire to dedicate 3 feet of land on both sides of Kentucky and Ohio avenues, 3 feet on west side of Indiana avenue and 3 feet on the east side of Wisconsin avenue so that pavement between Fenkell avenue and alley north may be 40 feet wide on Kentucky and Ohio avenues and 33 feet wide on Indiana and Wisconsin avenues, allowing construction of sidewalks 8 feet wide instead of 6 feet except on the east side of Indiana and west side of Wisconsin avenue. Your Committee of the Whole has noted the communication from the City Plan Commission, recommending that petition be granted, being of the opinion that wide pavement is desirable on said streets at Fenkell avenue because of the business frontage on the street and to provide for additional parking space. Your Committee concurs in the above recommendation and recommends that petition be granted.

Respectfully submitted,
SHERMAN LITTLEFIELD,

Chairman.

By Councilman Littlefield:

Resolved, That upon presentation of petitions for the paving of Kentucky, Indiana, Wisconsin and Ohio avenues north of Fenkell avenue, the Department of Public Works is hereby authorized and directed to pave Kentucky and Ohio avenues 40 feet wide from curb to curb and Indiana and Wisconsin avenues, 33 feet wide from curb to curb, from the north line of Fenkell avenue to the north line of the 18-foot public alley first north of and parallel to Fenkell avenue and to provide for sidewalks 8 feet wide on the east and west
