To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the applications of Fred R. V. Hauser and Edward H. Matz for permits to install or maintain gasoline pumps and tanks for the years ending April 30, 1923. After consultation with the Department of Public Works, your committee recommends that said applications be approved, and offer the following resolution.

W. P. BRADLEY,
Chairman.

By Councilman Bradley:

Resolved, That the Department of Public Works be and is hereby authorized and directed to issue permits to the persons hereinafter mentioned, for the installation or maintenance of gasoline tanks and pumps, for the year ending April 30, 1923, same to be placed on public property at the following locations:

4224 West Warren avenue, between Scotten and Lovett—Fred R. V. Hauser, No. 100, pump and tank.

7447 Ferndale avenue, between Central and Green—Edward H. Matz, No. 99, pump and tank, to be 3 feet back from present curb.

Vacation Part of Freer Ave.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Frank Szczepanek (4965), for the vacation of a strip of land six feet wide, taken by the city in the opening of Freer avenue and lying between the sidewalk and west line of lot 101, situated on the northeast corner of Waldo and Freer avenues. Your committee finds that Freer avenue was opened 60 feet wide, but that sidewalks were laid on a street 50 feet wide, leaving strips between sidewalk and lot lines, on which there are a number of encroachments. Your committee believing that it may be desirable to open said street to its full width at some time in future, recommends that petition be denied, and that the Department of Public Works be directed to notify the owners of all property abutting on Freer avenue on which there are encroachments in said Freer avenue as opened, 60 feet wide, to remove same forthwith.

Respectfully submitted,

W. P. BRADLEY,
Chairman.

Vacation of Nuba Street.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Henry Kay, et al. (5174), for the vacation of Nuba street, as

platted in Kaiser's sub. Your Committee finds that petitioners are the owners of Outlot 20, Albert Crane's sub., and lots 5 to 8, Kaiser's sub., being all of the property abutting on the easterly and westerly lines of Nuba street. Your Committee recommends that said Nuba street, except the north and south eight feet thereof, be vacated, and offer the following resolution.

Respectfully submitted,
W. P. BRADLEY,
 Chairman.

By Councilman Bradley:

Vacation of Strip of Land.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Mrs. C. N. Lathrop (5086), asking for the vacation of a strip of land approximately 5 feet wide, taken by the City in the opening of Lafayette boulevard, and adjoining lot 13, northeast corner of Junction and Lafayette avenues. There being a number of tax certificates issued against said strip and the City of Detroit not having title to the land, your Committee recommends that further consideration of petition be indefinitely postponed.

Respectfully submitted,
W. P. BRADLEY,
 Chairman.

Accepted and adopted.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Wayne County & Home Savings Bank (5093), for the opening of an alley 18 feet wide in Hugo H. Stender's sub. and extending from Nevada avenue to

alley first south thereof. Your Committee finds that the quit-claim deeds of Wayne County & Home Savings Bank, Edwards D. Gorham and Gertrude M. Bissinger to the City of Detroit of the land necessary to open alley as petitioned have been filed with petition. Your Committee therefore recommends that the deeds above referred to be accepted when approved by the Corporation Counsel and City Engineer as to form and execution and description.

Respectfully submitted,
W. P. BRADLEY,
 Chairman.

Accepted and adopted.
