

Northwestern Playfield.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the communication from the City Plan Commission, submitting results of a study as to the advisability of acquiring all of the private property lying between the west line of Lawton avenue, the north line of Wrexford avenue and the existing limits of Ferry Field, for playfield purposes. Your Committee has noted the recommendation of the Commission that the above described property be not acquired for playfield purposes, believing that the remainder of the amount in fund provided by the sale of bonds should be used for the acquirement of vacant property where there are no playgrounds or playfields. Concurring therein, your committee recommends that further consideration be postponed.

Respectfully submitted,
FRED W. CASTATOR,
Chairman.

Accepted and adopted.

Widening Livernois Ave.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the communication from the City Plan Commission, recommending that Livernois avenue be widened to a width of 100 feet, by taking 17 feet from both sides of street, from Fenkell avenue to Eight Mile Road. Your Committee finds that the above plan conforms to the proposed widening of Livernois ave. south of Fenkell avenue and north of Eight Mile Rd. through the Village of Ferndale. We therefore concur in the above, and recommend that the Corporation Counsel be directed to prepare the proper resolution for the widening of Livernois avenue, to a width of 100 feet, where not already widened, from Fenkell ave. to Eight Mile Road, in accordance with City Plan Commission blueprint No 166-2, and submit said resolution to this body for approval.

Respectfully submitted,
FRED W. CASTATOR,
Chairman.

Accepted and adopted.
