Paving Taxes.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Alexander Scott (5739), asking for an adjustment of assessment levied against Lot 92, and north 15 feet of lot 93, Stephenson's Sub., for the paving of Monica avenue. Your Committee begs to report that petitioner has been assessed a total of \$691.40, lot 92 having a frontage of 61.51 feet tapering to a point on alley in rear and the 15 ft. frontage on lot 93 having a width of 7 feet on alley. By reason of the irregular shape of lot, your Committee recommends that assessment be reduced to \$315.44 or on basis of 41.75 feet of paving, amount of reduction to be taken from the Contingent Fund. We therefore offer the following resolution.

Respectfully submitted,

JAMES VERNOR,
Chairman.

By Councilman Vernor:

Resolved, That the City Treasurer be and he is hereby authorized and directed to accept from Alexander Scott the sum of \$78.86 in full settlement of each of Parts 1, 2, 3 and 4 of assesment levied against "Lot 92 and N. 15 ft. of lot 93, Stephenson's Sub." etc. for the paving of Monica avenue (Book 20, f. 113, Roll 3403), being a reduction on each part from \$172.85 to \$78.86 by reason of triangular lot; and further

Resolved, That the City Controller be and he is hereby authorized and directed to draw a warrant upon the Contingent Fund in favor of the City Treasurer for the sum of \$375.96, being the difference between the original amounts of Parts 1, 2, 3 and 4 of assessment levied against above described property for paving Monica ave., and amount accepted in settlement thereof, the said amount to be placed to the credit of Assessment Roll No 3403.

Vacation of Alley.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Adam Gawlikowski (5472), for

the vacation of the public alley first west of and parallel with Conant avenue and extending from alley north of Nevada to Nevada avenue. Your committee finds that petitioner is the owner of all land abutting on the alley requested to be vacated and in consideration of same will deed to the city a 20-foot strip of land off lot 783 to continue alley west of Conant, not requested to be vacated, through to Nevada avenue. Your committee therefore recommends that said alley be vacated provided petitioner deeds land for alley above referred to and reconstructs lateral sewer in Nevada avenue and lateral sewer in new alley. We therefore offer the following resolution.

Respectfully submitted.

JAMES VERNOR,

Chairman.

By Councilman Vernor:

Resolved, That "All that part of the public alley, 16 feet wide, first west of and parallel to Conant avenue and north of Nevada avenue, described as follows: Beginning at the southwesterly corner of lot 10 of Leland Heights sub. of part of north half of section 7.
