#### Sidewalk Taxes

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Jefferson Park Land Co. (5473), requesting an adjustment of assessment for constructing sidewalks on both sides of Marlborough avenue from Warren ave. to Frankfort Drive. Your committee is advised by the Department of Public Works that the plat dedicating this street had not been accepted at the time the walks were built, and further that the petitioner had no notice, other than the usual advertisement, of the intention of the city to construct the walk. Your committee finds that the cost of this walk was 21c a foot, while the petitioner had made arrangements to have walks constructed at a cost of 15c per foot for the entire subdivision. After consideration of the request, and consultation with the Department of Public Works, your committee recommends that a refund of the difference in cost, namely \$568 86, be made, and offers the following resolution.

Respectfully submitted,  
JOHN C. NAGEL,  
Chairman.

By Councilman Nagel:
