

of Joseph Larkins (7319), for the cancellation of part 4 of assessment levied against lots 63 and 121 of Larkins-Martin Avenue subdivision No 1 for the paving of McGraw avenue. Your committee finds that 18 ft. was taken from the south side of each of these lots in the widening of McGraw avenue, and that no account was taken of this special assessment in the condemnation proceedings, and petitioner not credited in his award for the three parts of the paving tax which he had paid. After hearing with petitioner, and upon recommendation of the Corporation Counsel, your committee recommends that the petition be granted, and offers the following resolution.

Respectfully submitted,
W. F. BRADLEY,
Chairman.

By Councilman Bradley:

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Joseph F. Rumney, et al (7507), for the vacation of a portion of the public alley in block bounded by Quincy, Blaine, Holmur and Carter avenues. Your committee finds that a portion of this alley, abutting lots 42 and 43, is thirty-seven feet wide, whereas the remainder of the alley is 18 ft. After consultation with the City Engineer, your committee recommends that request be granted, with the exception that a ten-foot strip be retained to provide a better turn. We therefore offer the following resolution.

Respectfully submitted,
