Vacation of Rowland Ave.

To the Honorable the Common Council:

Gentlemen—To your Committee of the Whole was referred the petition of Wm. Jahn, et al (7655), for the vacation of a portion of Rowland Ave., (Wayburn Ave.), between Portland and Houston Aves. Your committee finds that in platting the property a strip of land 30 ft. in width was left east of Rowland Ave., with the understanding that when the property to the east of Rowland Ave. was platted, the owners would acquire this strip for the other half of the street. However, when the property to the east was subdivided, the street was jogged, leaving a 30 ft. unsubdivided strip in the center of the street. Petitioners now desire to dedicate this 30 ft. strip to the city for street purposes, provided that the 30 ft. adjoining on the west is vacated. After consideration of the request and consultation with the City Plan Commission, your committee recommends that petition be granted and offers the following resolution.

Respectfully submitted,
JOHN STEVENSON,
Chairman.
