Finance

To the Honorable Common Council:

Gentlemen—To your Committee of the Whole was referred petition of Edward A. Jenske (5018), requesting reimbursement for the cost of constructing sewer in the sum of \$55.00 and cancellation of bill for water service connection. Your committee finds that petitioner is the owner of lot 574 on the south side of Promenade avenue between Chalmers and Newport avenues, being the third lot from the corner, and that petitioner's engineer secured a plot from the City Engineer's office showing lot 572 on the corner and lot 574 next, eliminating lot 573. Upon securing this information, petitioner proceeded with the construction of a sewer, work on the basement and had water service installed to the lot line on the second lot from the corner. However, upon further investigation, petitioner found that lot 574 was the third lot, and the work had been done on lot 573 which he did not own, and requests reimbursement for this work. After consultation with the Commissioner of Pub-

lic Works, and consideration of the matter, your committee recommends that the request be granted, and offers the following resolution.

Respectfully submitted,
 W. P. BRADLEY,
 Chairman.

By Councilman Bradley:

Resolved, That the Department of Public Works be and is hereby authorized and directed to draw a voucher upon the Sewer Arm Fund in favor of Edward A. Jenske, 8050 Duncan avenue, in the sum of \$55.00, being reimbursement of the cost of constructing sewer connection on lot 573 on the south side of Promenade ave., between Chalmers and Newport avenues, due to error in plot secured from the City Engineer's office, and further

Resolved, That the City Controller be and is hereby directed to honor said voucher when presented, and further

Resolved, That the Board of Water Commissioners be and is hereby authorized and directed to cancel bill rendered against said Edward A. Jenske for transferring water service from lot 573 to lot 574 at above mentioned location.
