To the Honorable, the Common Council:

Gentlemen—Re: Telephone service. In the original plans for remodeling of the old Art Museum Building, the department provided four individual lines and fourteen extensions, and in addition three pay stations.

The Veterans Organization Com- mittee is now requesting that we in- stall four individual lines, three pay stations and a switchboard with five trunk lines and twenty-three sta- tions. The cost of the service in- volved in each case is approximately as follows:

Original plan, \$50.00 per month and the City to guarantee payment for at least seven calls daily on each pay station. Plan requested, \$80.00 per month for switchboard and trunk lines; \$24.00 per month for four in- dividual lines and the same guar- antee as above in regard to pay sta- tions.
