From the City Plan Commission

May 17, 1929.

To the Honorable, the Common Council:

Gentlemen—We are returning, herewith, the petition of W. G. Gates et al (7429), referred to us by your Honorable Body, requesting that Whitcomb Avenue be widened between Tyler Avenue and Fullerton Avenue. This is one of several similar petitions which have been filed during the past few years.

Over a period of several years, the City Plan Commission has attempted to acquire the land needed for the widening of Whitcomb Avenue through dedication. We have communicated with the owners of this property on various occasions and are finally in receipt of definite word from them that they will not deed the land needed to widen Whitcomb Avenue.

The land in question is vacant and undeveloped at the present time. Whitcomb Avenue is at present 36 feet in width, and it will therefore be necessary to procure approximately 14 feet of land to make the street 50 feet in width.

We believe the widening of Whitcomb Avenue to be a necessary public improvement, and in view of the above circumstances we recommend that the petition be granted, and that the necessary steps be taken to acquire the land through condemnation proceedings.

Respectfully submitted,  
WALTER H. BLUCHER,  
Secretary.

By Councilman Walters:

Resolved, That the Corporation Counsel be and is hereby directed to prepare the proper resolution for the widening of Whitcomb avenue between Tyler and Fullerton avenues to
