**From Department of the Police**

May 7, 1930.

To the Honorable, the Common Council:

Gentlemen—At this time we have a five-car taxicab stand on the north side of Bagley Avenue between Cass Avenue and the main entrance of the Detroit-Leland Hotel, which was granted through resolution of the Common Council on May 4, 1927.

The Detroit-Leland Hotel management have complained to this department that when the stand is filled, the cabs partly obstruct the crosswalk and hotel entrance, and they have asked that the stand be shortened. We therefore recommend that the resolution referred to above, be amended to provide for a four-car stand instead of a five-car stand.

Yours very truly,  
LOUIS L. BERG,  
Director of Traffic.

**By Councilman Walters:**

Resolved, That resolution of May 3, 1927, J. C. C. p. 1269, establishing a five-car public taxicab stand on the north side of Bagley avenue between Cass avenue and the main entrance to the Detroit-Leland Hotel, be and the same is hereby rescinded, and further

Resolved, That the Department of Police be and it is hereby authorized and directed to establish a four-car public taxicab stand on the north side of Bagley avenue between Cass avenue and the main entrance to the Detroit-Leland Hotel.

**From the Board of Education**

April 29, 1930.

To the Honorable, the Common Council:

Gentlemen—The verdict for additional land to the Fitzgerald School site has been confirmed and shortly will be presented to your Honorable Board with a request that funds be provided for the payment of the awards. This additional land provides a site for the large Post Intermediate School building, and incidentally the location of a detached power house to service both buildings.

This power house to be properly located, in accordance with advice from the consulting engineers, should be placed partially in what is at present Pilgrim Avenue, and the construction of the power house is a part of a contract now in existence for an addition to the Fitzgerald School.

I desire to obtain from your Honorable Body an expression as to whether or not you will consent to the closing of Pilgrim Avenue as it exists on the records, but never opened, between Greenlawn and Cloverlawn Avenues, so that the construction of the power house can proceed at once. This approval has been obtained from the City Plan Commission.

Yours respectfully,  
CHAS. A. GADD,  
Business Manager.
