Re: Bonds No. 12-13, 15—Loan No. 6185-A.

Dear Sir:—

According to our records, you are the owner of the above mentioned bonds.

The mortgage is in default on account of the owner not making payment of the following installments. Principal installment due

1-1-32	\$500.00
Interest installment due	
1-1-32	270.00

Unpaid Taxes:	
1930 City, State & County....	301.60
1931 City, State & County	
(approx.)	300.00

The mortgaged property is described as a two story brick, four family flat located at Vinewood and Moore Place, Theatre located at 6421 Chene Street, between Trombley and Lyman Place and Eighty (80) acres on Seven Mile Road. The original amount of the mortgage (July 1, 1928) was \$32,000.00. The balance now due is \$29,000.00.

It is very necessary in our opinion that the mortgage should be foreclosed immediately, so that the rights of the bondholders will be protected.

We are not in position to defray the costs of foreclosure and for that reason must ask that the bondholders advance the costs. The mortgage contains a rent assignment clause and for that reason, we are foreclosing the mortgage in Chancery, at which time we will ask that a receiver be appointed for the property. The cost of foreclosure will amount to \$150.00. The balance due on the mortgage at this time is \$29,000.00, so your pro rata share of the cost amounts to \$23.40.
