To the Honorable, the Common Council:

Gentlemen—Re: 6627 Iroquois Avenue, Lot No. 306, Robert E. Walkers Sub., Sec. 22 and 27 Hamtramck. 1 story frame building.

The building at the above location has been vacant and abandoned for some time and has been broken open and damaged by vandals.

The owners of record have been notified to repair or barricade the structure but have failed and neglected to do so. We now find that the larger portion of the structure has been demolished causing the roof to collapse and leaving the remainder in a highly dilapidated and dangerous state.

I would respectfully recommend, therefore, that the Department of Public Works be authorized to re-

move this building immediately as a public nuisance.

Respectfully yours,
JOSEPH P. WOLFF,
Commissioner.

To the Honorable, the Common Council:

Gentlemen—Re: 925 E. Columbia, Lot No. 56 Crane and Wesson Subdivision, P. C. 6, L. Moran Farm 2 story frame dwelling.

The building at the above location has been vacant and abandoned for some time and has been badly damaged by vandals and an unauthorized wrecker also began removing the upper portion of the building before being stopped.

The owners of record cannot be located and in view of the condition and character of the building, it is probable that they will be unable or uninterested in preserving it.

Under the conditions now existing, the structure is both dilapidated and dangerous and I would respectfully recommend, therefore, that the Department of Public Works be authorized to remove this building as a public nuisance.

Respectfully yours,

JOS. P. WOLFF,
Commissioner.
