Controller

May 22, 1936.

To the Honorable, the Common Council:

Gentlemen—In 1931, by Executive Order No. 12, all capital expenditures were ordered stopped. As a result of this many accounts of funds that had been set up from the sale of bonds were left with balances unexpended. According to the City Charter, Chapter V, Section 15, these unexpended balances of moneys left from funds obtained by sale of bonds issued for permanent public improvements, cannot be used for other purposes than those for which the funds were raised. Accordingly these balances will have to be transferred to the Sinking Fund Account.

We have prepared a list of these fund accounts, showing account number, department and balance, and submit same herewith. Your Honorable Body, therefore, is requested to approve the attached resolution.

Respectfully submitted,

FRED T. GIES,
Controller.
