By Councilman Van Antwerp:

The attention of this Common Council has been called to the fact that December 29th, 1936, marks the Fiftieth Anniversary of the founding of the Children's Hospital of Michigan.

The Articles of Incorporation state that this hospital was created to care for the sick and suffering children, without regard to race, creed, or color, under twelve years of age, whose parents are unable or unwilling to provide for them. The first building had accommodations for twenty-seven patients, with a staff of five doctors; during the year 1935 seven thousand patients were cared for by a staff of approximately one hundred doctors.

This Common Council is not unmindful of the great work this hospital is doing to restore the children of our community to good health, that they might take their rightful place in the life of our city. Those who give of their time and training in this cause are indeed obeying the command of Him Who urged us to love and care for the little ones about us.

We congratulate the Board of Directors of the Children's Hospital of Michigan on the Fiftieth Anniversary of its founding and wish for them many more years of useful service to this community.

Yeas—Councilmen Bradley, Castator, Engel, Ewald, Jeffries, Lindsay, Lodge, Van Antwerp and the President—9.

And the Council then adjourned.

JOHN W. SMITH,  
President.
