 By Councilman Sweeny:

**Street Openings**

To the Honorable, the Common Council:  
 Gentlemen—To your Committee of the Whole was referred petition of Pearl Spaulding, et al (5626), requesting the opening of West Cambridge Ave. south to Greenview Ave. to provide direct access to the Mettetal School. Your committee is advised by the City Plan Commission that the property of the Arnold Home extends from Faust to Greenview Aves., and the opening of Cambridge Ave. would divide the property and involve the removal of a part of one of the buildings, causing undue injury to the Arnold Home property. Further, there is unplatted property to the west which would block the extension of this street. The City

Plan Commission further advises that the Arnold Home has been contacted and an agreement secured to dedicate land for the opening of Greenview and Vassar Aves. to full width, and the future opening of Faust Ave.

We therefore recommend that further consideration of the petition to open Cambridge Ave. be indefinitely postponed, and that the offer of the Arnold Home to dedicate property for the opening of Greenview and Vassar Aves. be approved, and the deeds accepted when presented.

Your committee further recommends that the Department of Public Works consider the advisability of constructing sidewalks along Seven Mile Road to provide safe access for school children in this vicinity to the Mettetal School.

Respectfully submitted,  
 HENRY S. SWEENEY,  
 Chairman.

Accepted and adopted as follows:  
 Yeas—Councilmen Dorais, Lodge, Sweeny, Van Antwerp, and the President—5.  
 Nays—None.

**Vacation of Western Ave. and Alleys**

To the Honorable, the Common Council:  
 Gentlemen—To your Committee of the Whole was referred petition of the Chrysler Corporation (7043), for the vacation of Western Ave. and alleys north of McGraw ave. and west of Sharon ave. Your committee is advised that petitioners have secured ownership of all property abutting upon these parts of the streets and alleys in question, and the vacation of same is requested to permit the expansion of petitioner's plant engaged in defense production. After consultation with the City Plan Commission, and careful consideration of the matter, your committee recommends that the petition be granted, provided petitioner waives all claims for damages for land or buildings on any vacated property which may be subsequently required for highway purposes. We therefore offer the following resolution.

Respectfully submitted,

 Chairman.

After consultation with the City Plan Commission and careful consideration of the matters, your committee recommends that same be denied.  
Respectfully submitted,  
HENRY S. SWEENEY,  
Chairman.

Accepted and adopted.

JOHN W. SMITH,
