To the Honorable, the Common Council:
Gentlemen—On September 11, 1939, the City of Detroit entered into an

agreement with the Michigan State Highway Department and the Grand Trunk Western Railroad Company, in which it was agreed, among other things, that the City of Detroit would convey permanent easements on any and all properties owned or controlled by the City, and considered necessary for additional railroad right-of-way, in carrying out the project known as the State Fair Avenue—Grand Trunk Grade Separation.

In accordance with the agreement, there is attached a copy of the easement granted to the Grand Trunk Western Railroad Company for a certain strip of land included in the plan attached to the agreement, known as Exhibit B.

May we have the approval of your Honorable Body for granting this easement?

Respectfully submitted,
