Special Assessments

To the Honorable, the Common Council:

Gentlemen—To your Committee of the Whole was referred petition of the Board of Wayne County Road Commissioners (3727), for cancella-

tion of assessment on property on Fordham ave. west of Moross Road for the paving of Moross Road the grounds that the lots were chased for the opening of Moross Road and the portion of the lots not used for the opening of Moross value. Your committee have little or no the Corporation Counsel is advised or no the land is owned by the Road Com- mission, it is not being used for pub- lic purposes within the meaning of the law, and therefore not entitled to exemption from this assessment. Your committee therefore recommends that the request for cancellation be de- nied.

The Corporation Counsel and De- partment of Public Works advise, however, that due to the irregular shape of the lots, petitioner would be entitled to a reduction in assessment in accordance with the provisions of Title VI, Chapter III, Section 2 of the city charter, and the departments recommend a reduction of \$47.55. After careful consideration of the matter, your committee concurs in the recommendation, and offers the following resolution.

Respectfully submitted,

JAMES H. GARLICK,
Chairman.

By Councilman Garlick:

Resolved, That the City Treasurer be and he is hereby authorized and directed to accept from the board of Wayne County Road Commissioners the sum of \$333.61 in full settlement of assessment levied against "Lots 126 to 130 incl., Dalby & Campbell's East Pointe Sub."
