To the Honorable, the Common Council:

Gentlemen—

The Department of Health has been advised by the City Engineer that the present estimated cost of their Advance Plan Project HE 9 "District Health Centers (4)" is \$100,000 per unit instead of \$65,000 as estimated on costs of several years ago. This would make the total estimated cost of the project \$400,000 instead of \$260,000.

It is the recommendation of the

Committee that your Honorable Body approve this increase in estimated cost of this project.

Respectfully submitted,

DAVID V. ADDY
GLENN C. RICHARDS
GEO. F. EMERY, Chairman.
