

consideration before action is taken.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Rogell:

Resolved, that the rejection of bids for a bandstand and comfort station at Palmer Park for the Dept. of Parks and Recreation be and the same is hereby approved.

Adopted as follows:

Yeas—Councilmen Castator, Comstock, Dorais, Lodge, Oakman, Rogell, Van Antwerp, and the President—8.
Nays—None.

Public Works

August 5, 1946.

To the Honorable, the Common Council:

Gentlemen—Your Committee of the Whole referred petition of Jorges Grinding Company (No. 1928) requesting the vacation of the 20 foot north and south public alley located north of Emery Avenue between Girardin and Sherwood Avenues to the Department of Public Works for further investigation and report. The vacation of this alley has been previously approved and recommended by the City Plan Commission in their communication to your Honorable Body of July 3, 1946.

We wish to advise that all of our investigations have been completed. We are in receipt of a right-of-way executed by the owners in fee of the property adjoining the alley proposed to be vacated granting the City of Detroit perpetual easement rights to the existing lateral sewer located in said alley. The petitioners have made satisfactory agreements with all utilities involved regarding their installations in said alley.

In view of the above, we recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Comstock:

Resolved, That all of north and south public alley, 20 feet wide, located northerly of Emery Avenue between Girardin and Sherwood Avenues, more particularly described as all of north and south public alley, 20 feet wide, as platted in Wm. Livingstone's Seven Mile Subdivision of part of S. E. ¼ of S. W. ¼ of Sec. 4, T. 1 S., R. 12 E., Detroit, Wayne County, Michigan, as recorded in Liber 55, Page 28 of Plats, Wayne County Records, lying west of and adjoining the westerly line of lots 1

to 27, both inclusive, and east of and adjoining the easterly line of lots 80 to 95, both inclusive, all lots being the same as platted in last mentioned subdivision.

Be and the same is hereby vacated to become a part and parcel of the adjoining property.

Adopted as follows:

Yeas—Councilmen Castator, Comstock, Dorais, Lodge, Oakman, Rogell, Van Antwerp, and the President—8.
Nays—None.

Public Works

August 2, 1946.

To the Honorable, the Common Council:

Gentlemen: This is to certify, in accordance with Article 5 of the Contract Agreement for Contract P. W. 29 West Chicago-Rouge Park Sewer that work provided for in this contract has been given final inspection and has been found fully performed, and the Contractor, Drainage Contractor's Incorporated, has submitted an affidavit that all payrolls, material bills, and other indebtedness connected with the work have been paid.

The completed items and value thereof, of this work are:

All Contract Items and
Contract Changes\$115,491.00
(One Hundred Fifteen Thousand Four Hundred Ninety-One Dollars).

As the work provided for in this Contract has been completed, it is accepted by the Commissioner of Public Works under the terms and conditions thereof, and he does recommend that the completion of the above sewer be accepted by your Honorable Body, and that full payment of the above stated sum of \$18,128.25, as indicated in Estimate No. 6 (Final), be made at this time, with the understanding that such payment is made by the City and accepted by the Contractor under the terms of final payment.

FLOYD C. MORSE,
Engineer of Tests and Inspection.
G. R. THOMPSON,
City Engineer.

GLENN C. RICHARDS,
Commissioner of Public Works.

By Councilman Comstock:

Whereas, The Commissioner of Public Works has certified that Lateral Sewer Contract P.W. 29—West Chicago-Rouge Park Sewer has been completed, and

Whereas, the said sewer has been found to be in accordance with plans and specifications for same and has been accepted by the Commissioner of Public Works, now, therefore, be it

Resolved, that the said sewer as outlined in the foregoing communica-
