The low bid submitted by John Monte is regular in all respects and is in accordance with the requirements of the Contract Documents.

The bid of John Monte in the amount of \$2,100.00, plus the estimated additional cost for advertising, inspection, and contingencies, is within the City Engineer's estimate of \$2,220.00 made in September 1946, for the same items.

It is recommended that the contract be awarded to John Monte in the amount of \$2,100.00, and that the Controller be authorized and directed to set up an account in the amount of \$2,220.00 to cover the cost of this contract and the cost of advertising, inspection, and contingencies.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.

By Councilman Comstock:

To the Honorable, the Common Council:

Gentlemen—Your Committee of the Whole referred petition of James R. Schaeffer, et al (No. 918), requesting the vacation of a north and south public alley, 18 feet wide, in block bounded by Sussex, Coyle, St. Martins and Pembroke Avenues, and the establishing of an easement in lieu thereof, to the Department of Public Works for further investigation and report.

This change has been previously approved and recommended by the City Plan Commission in their communication to your Honorable Body of August 22, 1946.

We wish to advise that all of our

investigations have been completed. We are in receipt of satisfactory agreements executed by the owners in fee of the property abutting the alley proposed to be vacated granting the City of Detroit easement rights to said alley, said easements having been approved by the Corporation Counsel as to form and execution.

All City departments and private utilities reported that they will not be adversely affected by the vacation of this alley or that they have reached a satisfactory agreement with the petitioners regarding their installations.

The conversion of this alley into an easement conforms with Common Council resolution of November 13, 1945, J. C. C. page 2230.

In view of the above, we recommend the adoption of the attached resolution.

Respectfully submitted,
GLENN C. RICHARDS,
Commissioner.
