To the Honorable, the Common Council:
Gentlemen—Your Committee of the

Whole referred petition of the Board of Education requesting the vacation of portion of Winston Avenue between Puritan and Florence Avenues to the Department of Public Works for further investigation and report.

The City Plan Commission, in their communication to your Honorable Body of December 11, 1946, approved the vacation of this street with the additional recommendation that a portion of the Board of Education property be deeded to the City of Detroit for turn-around purposes.

We wish to advise that all of our investigations have been completed.

We are in receipt of a Quit-Claim Deed from the Board of Education to the City of Detroit deeding the necessary land for above mentioned turn-around, said deed having been approved as to form and execution by the Corporation Counsel, and as to description by the City Engineer. We are attaching said deed hereto for your Honorable Body's acceptance.

The Board of Education, at its meeting of March 11, 1947, approved the payment of the sum of \$630.00 to the Permit Division of the Department of Public Works, said amount being the estimated cost of grading and stoning the turn-around deeded to the City.

All other City departments and private utilities reported that they will be unaffected by the vacation of said portion of Winston Ave.

We therefore recommend the adoption of the attached resolution.

Respectfully submitted,

ERNEST JONES,
Commissioner.
