Feb. 14, 1947

To the Honorable, the Common Council:

Gentlemen—Your Committee of the Whole referred petition of Wm. M. Moorey and Carroll F. Eberle. (Pet. No. 1266) requesting the vacation of an 18 foot east and west public alley lying first southerly of Cathedral Avenue between Ashton and Southfield Roads, and the establishing of an easement in lieu thereof, to the Department of Public Works for further investigation and report.

This change has been previously approved and recommended by the City Plan Commission in their communication to your Honorable Body of May 13, 1946.

We wish to advise that all of our investigations have been completed. We are in receipt of satisfactory agreements executed by the owners in fee of the property abutting the alley proposed to be vacated granting the City of Detroit easement rights to said alley, said easements having been approved by the Corporation Counsel as to form and execution.

All City Departments and private utilities reported that they will not be adversely affected by the vacation of this alley or that they have reached satisfactory agreements with the petitioners regarding their installations.

The conversion of this alley into an easement conforms with Common Council resolution of November 13, 1945, J.C.C. page 2230.

In view of the above, we recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner

By Councilman Comstock:
