To the Honorable, the Common Council:

Gentlemen—Petition of Brightmoor Tabernacle (No. 1605) requesting the vacation of a portion of the east and west public alley north of Fenkell Avenue, between Chatham and Lamphere Avenues, was referred by your Committee of the Whole to the Department of Public Works for investigation and report.

The vacation of this alley was approved by the City Plan Commission in their communication to your Honorable Body of June 17, 1946 with the recommendation that the petitioners deed a portion of their property as an alley outlet in lieu of the alley requested to be vacated.

Please be advised that all of our investigations have been completed.

In accordance with our directive the petitioners paid into the City Treasury the sum of \$200.00 on February 11, 1948, Receipt No. 45823, credited to Public Lighting Commission, Fund Code No. 123-9300-0-9 to reimburse that department for the cost of rerouting its overhead line wires necessitated by the vacation of said alley.

The petitioners also deposited into the Permit Division of the Department of Public Works the sum of \$1,027.50, Receipt No. 75895, said amount being the estimated cost of constructing sidewalks on west side of Lamphere north of Fenkell Avenue, at the intersection of alley to be vacated, grading, stoning and installing drainage in deeded alley, including the construction of a sewer manhole incidental therewith.

We are in receipt of a quit claim deed, petitioner deeding land in accordance with City Plan Commission's recommendation. Said deed was approved by the City Engineer as to description and by the Corporation Counsel as to form and execution, and we are attaching said deed hereto for your Honorable Body's acceptance.

All other City departments and private utility companies reported that they will be unaffected by the vacation of said alley or that they have reached satisfactory agreements with the petitioners regarding their installations therein.

In view of the above, we recommend the adoption of the attached resolution.

Respectfully submitted,
THOMAS C. HANSON,
Commissioner.
