To the Honorable, the Common Council:

Gentlemen—Your Committee of the Whole referred to this office, for investigation and report, the petition of the Board of Wayne County Road Commissioners, requesting the vacation of a portion of Radnor Avenue west of Mack Avenue, and also the vacation of the alleys west of Mack Avenue, northerly and southerly of Radnor Ave.

Please be advised that all of our investigations have been completed.

In reply to our inquiries, several departments voiced their objections to the outright vacation of the alleys, and requested that an easement be reserved for them, so that their utilities, equipment, etc., could remain in their present location.

We are therefore submitting, for your adoption, resolutions vacating portions of Radnor Avenue and the alleys west of Mack near Radnor Avenue, subject to easements for the City departments and private utility companies who have installations in said streets and alleys.

We recommend the adoption of the attached resolution.

Respectfully submitted,

THOMAS C. HANSON,
Commissioner.
