Honorable Common Council:

Gentlemen—Your Committee of the Whole referred to this office for investigation and report the petition of the Department of Parks and Recreation requesting the vacation of a portion of Forrer Avenue between Outer Drive and Thatcher Avenues within the limits of a playground site. The vacation of said street was approved by the City Plan Commission at an earlier date.

Our investigations are completed. In reply to our inquiries all City departments and privately owned utility companies reported that they will be unaffected by said vacation.

As the park property is located on both sides of the street, the vacation of the street will provide a more effective utilization of the site.

We recommend the adoption of the attached resolution.

Respectfully submitted,
CARL D. WARNER, Comm'r.

Department of Public Works December 20, 1950.

Honorable Common Council:

Gentlemen—In response to published advertisements, bids were received on December 19, 1950, for the construction of Public Sewer in Hessel Avenue from Berg Road to Greenview Avenue Extended, Contract PW-1415. Nine bids were received as shown on the attached tabulation.

The low bid submitted is regular in all respects and meets the Contract requirements. It is, therefore, recommended that the Contract be awarded to the Greenfield Construction Company in the amount of \$430,000.

In addition to the Contract price, it is estimated that \$20,000 will be required to cover the cost of advertising, inspection, and minor contingencies, making the total funds required \$450,000, which is available in Account 925-2390-922 Public Sewer Arms of the Sewer Bond Fund.

Respectfully submitted,

GLENN C. RICHARDS, Act. Commr.
