Honorable Common Council:

Gentlemen—We are returning herewith the petition of the Mack-Gratiot Company (No. 3059), requesting the vacation of a portion of the 15-foot east-west alley north of Gratiot Avenue, and parallel thereto, between McDougall and Mack Avenues. The vacation of said alley was approved by the City Plan Commission in their communication to your Honorable Body of September 13, 1950. The petition was then referred to this office by your Committee of the Whole for investigation and report.

All of our investigations are now completed.

In reply to our inquiries, all City departments and privately owned utility companies reported that they will be unaffected by said vacation of alley, or that they have reached satisfactory agreements with the petitioners regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,  
GLENN C. RICHARDS,  
Acting Commissioner.
