

We wish to advise that all of our investigations have been completed. In reply to our inquiries, all City departments and private utility companies reported that they will be unaffected by the proposed change, or that they have reached satisfactory agreements with the petitioners regarding their installations therein.

The conversion of this alley into an easement conforms with Common Council resolution of November 13, 1945, J.C.C. Page 2230.

In view of the above, we recommend the adoption of the attached resolution.

Respectfully submitted,
CARL D. WARNER,
